

# WHO WE ARE

## BACKGROUND

Striving excellence in maintenance, repair and operations (MRO) for preservation products - volatile corrosion inhibitors, films, coatings, rust removal, lubricants and other cleaning agents, since 2020.

## SERVICES - PRESERVATION

At Ideal Fluids, we help customers and clients develop preservation execution plans, coordinate preservation activities, conduct preservation awareness and application trainings, audit health checks & assessments, data management, site supervision and manpower, and more...

## INDUSTRIES SERVED

Since corrosion can happen anywhere and everywhere, we can be present everywhere. We are present in:

- Energy – Oil and gas, Power
- Water and Wastewater
- Mining
- Marine/Shipbuilding
- Military
- Construction
- Automotive
- Aviation/Aerospace

# PRODUCTS

## VOLATILE CORROSION INHIBITOR (VCI) PRODUCTS

*For electronics & instrumentation:*

- Ox-Pro SF/D 360 VCI Emitters

*Coatings:*

- Ox-Pro Convert (Rust converting primer)
- Ox-Pro-SFD 160 (Waxy coating)
- Ox-Pro-SFY 521 (Oily coating)

*For piping, tanks and vessels:*

- Ox-Pro-137 Ferrous (powder)
- Ox-Pro-331 Multi-metal (powder)

*Cleaning and Degreasing:*

- Ox-Pro-414 (Heavy duty degreaser)
- Ox-Pro-423 (Rust removal)
- Ox-Pro All Clean

*Packaging and shrink wrapping:*

- Ox-Pro-126 (for indoor)
- Ox-Pro-126 UV (for outdoor)
- Ox-Pro UV Shrink film (for outdoor, non VCI)
- Ox-Pro FR Shrink film (for indoor, flame retardant, non VCI)
- Ox-Pro FR UV Shrink film (for outdoor, flame retardant, non VCI)

## WHY VCI FOR OPERATIONAL SPARE PARTS ?

- Build ahead projects (automotive)
- Storage of re-worked spares (heavy equipment)
- Minimize downtime
- Eliminate replacement cost

## VCI PRESERVATION SYSTEMS

- Allow for easy inspection
- Allowing protection to continue
- Pack does not have to be completely compromised (no to nitrogen purge, vacuum pack)

# CHOOSE US

HOW SUCCESSFUL IS OUR COMPANY?

WHAT IS OUR SATISFACTION RATE?

## MORE ABOUT OUR SERVICES

At Ideal Fluids, we aim to be a TOTAL SOLUTIONS service provider. We also provide water (boilers, cooling towers, HVAC, RO/DI ) and wastewater treatment products and services.
